**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic feet per second.

Actual construction work shall begin on or before May 11, 1917.

Proof of commencement of work shall be filed before June 11, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before November 11, 1919.

Application of water to beneficial use shall be made on or before November 11, 1920. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 11, 1920.

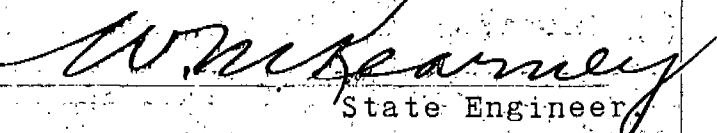

WITNESS MY HAND AND SEAL this 11th day

Cancelled July 28, 1913 because of failure of of January, 1917.  
applicant to comply with provisions of permit.

State Engineer
